MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to the Trial Secretary that their dog has a valid jump height card as part of the check-in process. Thus, this change eliminates the need for a copy of the jump height card to be submitted with the entry form.

Dogs without a valid Jump Height Card/Form may still compete, but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class, and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying score.

Conflicts will be handled on an individual basis. The judge will not hold up any class judging or wait for any dog that is in conflict with their agility ring time!
- All dogs must be held on leash or confined except when being judged and when in the warm up area. The safety of dogs is our primary concern. By entering this show, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dog is familiar with & able to perform all obstacles safely. Puppies under the age of 4 months are strictly prohibited from the show site.
- Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility Trials.
- NO alcoholic beverages on premises.
- Exhibitors should follow their veterinarians' recommendations to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Companion Dog Training Club of Flint Michigan, Inc. does not agree to arbitrate claims as set forth on the official AKC entry form for these events

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple jump Heights within the Same Day Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular or both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

As of July 1, 2024 For Exhibition Only is allowed in ALL CLASSES. FEO will allow exhibitors to work with their dogs in a trial environment. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note.

**For Exhibition Only (FEO) is now allowed in all classes
and Fix and Go On (FNG)
available at this trial**

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone or need help, please call 800-656-HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free 24/7, confidential services from trained crisis counselors.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners** SM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
